

Italian for travelers

Course Description

The Italian course for traveler's allows students to:

- learn some important words to travel without problems;
- learn some of the main grammar rules;
- learn about the history, arts and traditions of Italy.

We ask the students to try to use what they learn in class when we are outside.

First day

2 hours - Introduction to the course and notions about the program

2 hours - Out of the class, visiting a monument

Second day

2 hours - How to approach people for questions and indications, terms for travelling
